JESSIE

Jessie decided that she would no longer feel bad about cheating on her husband. So she invited her neighbor John over to pounce on her petite pussy. The riper the berry the sweeter the juice, and her juices are fucking amazing. After sucking it, she got rammed by it. Her moans got especially loud just before she came.

Alicia's Little Secret

My dildo is the #1 weapon for self-pleasure. It's not that I'm scared or anything like that, at least not of the sex part; it's just that I want to be careful. So many weird things go on in the dating world now. I do go out with guys—I just haven't slept with any in several years. I'm 41, and I don't think that's so odd. All my friends have slept with guys forever, and they don't seem to care if they get some icky disease or whatever.

Me – I care. That's why I masturbate. A lot.

I like to diddle my clit in my bedroom, or even in the living room while I watch TV. What I do is take off all my clothes except my panties, then turn on one of those TV channels that plays sexy movies all the time. I sit on the couch and spread my legs really wide.

I run my hand across the crotch of my panties. Oooh, that feels nice. For a few minutes I stroke the cotton crotch. Then I tug at the leg-band a bit, slipping one finger under and touching my mound ever so briefly. Then my hand moves up and slowly eases past the waistband and down inside my panties. I rub my forefinger along my little furpiece.

All this time I'm playing with my nipples with my other hand. I pinch my nipples to make them really pink, and that sends such a tingling right down to my hot pussy that I almost come at that moment. I think of the hero in the movie grasping my little nipples with his teeth and tugging at them, tweaking them, nibbling them until they get hard. I groan, because it would be so cool to feel his lips licking and chewing on my full tits.

Then I slide my finger into my pussy to get it nice and wet. Up and down inside my moist slit, then back and forth, and I slam my finger in as deep as it'll go. My thighs press against my hand, and I wiggle my finger. I'm close to

coming, so I slow down a little. I want to savor the moment. I want to take a long time to come.

Finally it's time to play with my clit. I lean back as I watch the hero in the sex movie go down on the heroine, and I think about his tongue thrusting deep inside as he eats my hot pussy. That always turns me on and gets me so wet!

My finger circles and rubs my swollen pearl, and suddenly I cry out as the orgasm ripples through me. I grunt and groan, and feel my pussy-juices gushing out of my hot hole. My fingers are greasy with my girl-sauce, and I lick them clean, one by one.

Drained now, I lean back and watch the man in the movie put his big cock inside the woman's pussy and fuck her until they both come. That's so cool, I tell myself. One of these days soon I'll have a thick cock filling me up. But until then...I smile as I wander into my bedroom. I know I'll find something there....

I find the dildo in my nightstand—about eight inches long and almost three inches wide. I grin. This'll do just fine! Then I go back into the living room, and I pull my panties off. I fling them across the room, and they land on the back of a chair.

The couple on the television are now fucking again—he's kneeling behind her and shoving his fat cock into her pussy. I pull my legs up toward my body, and then press the tip of the dildo against my pussy-lips. I rub it up and down for a few minutes. This is the first time I've used anything other than my fingers in more than six months.

40+: Hi Darryl, it's a real pleasure to finally meet you. I appreciate your time today.

Darryl: No worries, I have a lazy day ahead of me, so this will fit right in. (giggles)

40+: Uh, okay! You started in adult movies in your early thirties; What's changed between then and now?

Darryl: Wow,

your cock makes my mouth water!

Oh wow! It's so thick that I have to go really slow while I push the hard rubber dick into my hot pussy. I'm so slippery inside, and yet the dildo isn't going in easily. I pull it out a bit, then push it in deeper, pull some out, and then go deeper again. This feels so cool that I wonder why I haven't been doing it more often!

When I've got a good six inches of hard dildo inside me, I ram the thick dick in and out of my pussy as I watch the man fuck the woman's humongous tits. I twist and tweak my nipples as he presses his hands against her mammoth melons. Then I slam the rubber dick deep inside my pussy, and suddenly I'm coming, too.

I rest for a bit, the dildo still filling me, and I think about some guy's hard cock crammed there. I can feel my juices flowing out around my dildo. Finally I pull it out and study the way it glistens with my pussy oils.

I want a little more excitement, but I don't know what else to do. I glance at the clock on the wall. 7:05: That means the guy

I don't mind. He's maybe 25 or so and really cute—really hung, if you know what I mean. We haven't had a chance to talk much, since he just moved in. But I think we're going to exchange more than words tonight.

Ignoring him, I pull off my nightie, then rub my mound. My legs open up and I fling back my head, then slip two fingers into my pussy.

My other hand plays with my boobs, squeezing and mashing them, as I furiously finger-fuck myself. I moan, and through the screen I hear him moaning, too. I sneak a glance at my neighbor, and he's fisting his huge cock with its purple head. I feel the orgasm building up in me, and then I'm coming, my fingers dipping in and out of my pink palace while I hear him exploding. I watch as his cum shoots out of his cock into his hand. He gets up from his chair and walks away to his bathroom, I assume. I watch his tight butt muscles flex and relax as he struts away.

We look at each other and grin.

Suddenly, playing by myself doesn't seem like so much fun. I beckon to him, and his grin gets even bigger. I hear him run out of his house and knock at my front door. I glance at myself in the mirror—I can't go meet him at the door in my birthday suit—or can I? I just know my pussy is all wet again, and I'm ready for something nice and thick inside me. And it's standing at my door.

—Alicia, California

what a loaded question. Obviously, a lot has changed. The two biggest ones, I think, are technology, specifically the internet; and many more pretty girls doing more nasty things.

40+: *Are you saying that the sex has become nastier?*

Darryl: Basically, yes. There seems to be much more anal sex, as well as a whole lotta saliva being spewed around.

40+: *Anything else?*

Darryl: Of course. All this pseudo family stuff, like fucking step bothers, sisters, moms and dads is

next door is home. I smile. I go into my bedroom and get into my sheerest nightie. Then I open the drapes and turn on the bedroom light. Standing in front of the full-length mirror, I brush my hair. I stretch my arms up high and appear to notice my boobs for the first time. I press the sheer material down on my breast and trace my nipple with my fingertips.

Out of the corner of my eye I see he's at his window. He's been there before, watching me.

Still Got the Moves

I retired from professional basketball just a few years ago, but still hang out and practice with the team, kinda like an ex-player coach, but I'm writing to tell you about a recent 'booty call.' I was sitting behind the bench at a game and as usual my back was to the fans.

Towards the end of the third quarter I felt someone brush by me as they must have been going to their seats. I did not think anything of it until the game ended and we were in the locker room. I noticed a piece of paper fell out from my pants. I picked it up and found a girl's name and phone number with her picture folded into it. I tucked it away before anyone else saw, because didn't want to get razzed.

When I got back to my hotel room, I decided to call and see if it was real. Sure enough, a girl's voice answers and I ask if she was the one that slipped me the note. She said she was and wanted to meet me. I told her that I was unavailable for a few hours but we could hook up later that night because I had to leave in the morning.

She said she'd come by after one am if I wanted a "booty call." Well, I've never been propositioned like this before and it sounded kind of exciting, so I told her my room number at the hotel and hoped I hadn't made a big mistake. A little after one, there was a soft knock on the door and I looked through the peep hole. Standing on the other side was a cute girl in a hot little dress. I opened the door and she was hot. She said hello and I said hi and we exchanged

names as I invited her in. She came in and right away sat on the bed. She told me she thought I had great moves on the court when I was playing and wondered if I was the same in bed.

I got flustered at her directness and blurted out that she'd have to try me to find out. She stood up and pulled me over to her. She immediately dropped my drawers and found my cock. She looked up at me with big lusty eyes as she stroked it and within a second I was rock hard. I pulled off my t-shirt as she reached under and grabbed my balls. Then she turned around and told me to unzip her dress. I did and as it fell to the floor, she was completely nude underneath and took my cock and slipped it into her already wet pussy.

She leaned over onto the bed and stuck her ass higher to make it easier for me. I pumped in and out as she made moaning noises. I thrust my hips to show her my moves and she took every inch of me. She then took me out of her pussy as she turned and sat on the bed. Her mouth was at the same height as my cock as she took it and started licking.

First she licked her pussy juices off and then started to devour it. Taking it in deep I could see her tongue doing its part and I shoved it deeper between her lips. She grabbed my butt from behind and pulled me deeper into her mouth with every thrust. We got into this mouth fucking rhythm and I finally came as she swallowed all of it. I wobbled to the bed beside her and was about to throw her down for some more action when she stood up and grabbed her dress. Taking a couple steps away from the bed, she quickly put the dress on. Nothing more was said as she walked out the door.

— Cleveland, Ohio

hot now. I've been involved in a few of those scenarios.

40+: *Do you feel weird doing them?*

Darryl: *No, not really. We all know it's fake and, I think, the audience does. After all, they see the same faces doing other stuff, so they should be able to ascertain that.*

40+: *Yes, they should.*

Darryl: *We have to give the viewers more credit.*

horny honey

and she could write great ads!

I was in the back room of my store, doing some bookkeeping. After only two months in business, I already felt like I had a lifetime's worth of worries on my head. Who knew that opening a new business would be more headache than pleasure?

I heard the bell on the door jingle, signaling (I assumed) a customer, but Brian was out front, so I stayed put at the desk, juggling the bills and wondering how I was going to pay them all on time. Cocking an ear to the conversation up front, I caught a few words, enough to gather that the visitor was not a customer but another damned salesman...or, more accurately, saleswoman.

"Hey, Travis...you wanna come up front a minute?" Brian called.

"If it's another sales caller, no!" I called back. "We don't need any more advertising." Can't afford any more would have been more like it.

"I think you want to talk to this one." Brian's voice sounded almost playful. Puzzled, I got up and walked out front.

She was stunning. There's no other word for it. Well, I guess I can think of a few other words: "a fox," "a hot chick," or in her native language, "linda" (pretty) or even "bella" (beautiful). She had long, dark hair; sparkling, dark eyes; a trim, curvy figure...I could have just stared at her for hours.

But, of course, she wasn't there to be stared at. She was there to sell ad space.

"If advertising isn't working for you, you're just not running the right ads. I can help you write something effective. And if money is

tight, you don't have enough customers, so you need to advertise. Here...let me help you put together a good ad now," she invited.

"How about I take you out for a drink and bring a pad of paper with me? We can work up some ideas while we drink."

"I have paper," she said with a grin, patting her briefcase. "Sounds like a plan to me."

Her name was Elena. She was 20 and working part-time while attending community college. As smart as she was gorgeous, she also had a sparkling personality and quick humor. By the time we'd finished our first drinks, she'd sold me a large ad; by the time we'd finished our second drinks, she'd written it and agreed to have dinner with me. By the time dinner was over, she'd agreed to come back to the house with me.

Her boobs were petite, perfectly shaped, with large, dark areolae. I ran my tongue across the bumps that peppered those large circles surrounding her nipples, and I felt them rise even farther from her bullseyes and tickle my tongue as it dragged across them.

Next, I concentrated on her nipples themselves. The little mini-fingers of flesh grew tough under my licking, stiffening and elongating as I flicked my tongue tip lightly across them. I swabbed circles around the jutting flesh-fingers and left them wet with my spit. Then I blew a cool stream of air out from between pursed lips and watched the areolae crinkle in the cool breeze.

I also watched Elena's whole body writhe on the bed as her pelvis began pumping, heaving toward the ceiling. I kissed my way down

How do you refuse so pretty a lady? How do you say no to a honey that horny? I was risking making myself go off prematurely, but I had to do it.

her body and soon found my nose edging through her coarse, crisp pubes. Her bush had an intoxicating smell, sweaty but not unclean, and the sexy scent went up my nostrils and right down to my balls.

My dick thickened into a major woody as I followed that scent right down to Elena's slit, which was gooey now with her creamy out-pouring. Thrusting my tongue out, I dipped it into her smoldering crevice and licked up the trail of slick juice.

Elena's ass was bouncing wildly on the bed. It kept sharply humping upward, propelling her slick slot into the air and smashing her muff against my nose. My tongue danced wildly to keep up with her hyperactive cunny, and now I made a serious effort to lick her engorged clitty-button. As I danced across the pointy, fully extended little piece of flesh, Elena moaned, "¡Ay, que lengua! What a tongue!"

The tongue in question skated faster across her slippery clit, wiggling the firm piece of flesh and causing her to yell out in an agony of need. "Ponlo adentro," she groaned. I understood Spanish well enough to know that she was begging me, "Put it in," but I wasn't sure if she wanted my tongue or my dick inside her.

Since my tongue was already in position to slide in, I used that first, sliding up her cunny canal as far as I could reach and licking her slippery walls, tantalizing every nerve I could touch. "Aieeee! Oh! Oh! Ahhh! Ayyyy! Oh!"

Well, she certainly seemed to be enjoying what I was doing. But soon enough she begged, "Y ahora el guevo." And now my dick? That was a request I was only too glad to comply with.

As I pulled my mouth reluctantly from her well-juiced muff, I felt how wet my cheeks and chin and nose were. This was one hot babe! Even her exhortations in Spanish were proof of her heat...before we'd gotten down to doing the nasty, her English had been perfect without even a trace of accent.

I got up on my knees and aimed my ramrod at her gaping slot. I wouldn't need to enter her carefully—she was so well lubed that I could have driven a tank up there. I did use my hand to guide my eager woody to her portal, and then one fast shove carried me deep inside her. "Ay, sí," she moaned as my thick meat swooped deep inside her and stopped only at the blind end of her tunnel. For all that she was well lubed, this chica was tight as a sausage casing around my personal salami.

I pulled back, then plunged in deep again,

hard and fast, and pulled out and rammed in. After a few more sharp strokes, I felt my sap rising and knew I needed to slow down. I pulled out till just the tip was buried in her cunny, then bent to her boobs and encompassed one with my lips. Slowly I drew her whole breast into my mouth till my tongue and the roof of my mouth were warm with the heat that emanated from her ripe breast.

Then I sucked. I sucked gently, compressing my mouth, and I felt her breast-meat yield under the pressure. Her nipple once again stiffened, drilling against my palate. As I sucked one boob, I thumbed the other nipple. Elena's body began to undulate under me as her cunny rose, trying to capture my hard dick inside her. "Aieee, do it, do it, fuck me!" she squealed.

How do you refuse so pretty a lady? How do you say no to a honey that horny? I was risking making myself go off prematurely, but I had to do it. Loosening my jawgrip on her bountiful breastmeat, I reared back and plunged in to the max in her depths once again. "Yes! Oh yes! Sí, sí, sí," she cried. Her hand landed on my rump, and she tried to pump my ass faster and faster.

I was so hot I couldn't hold back. I had to come. I couldn't stop myself. My balls were boiling. My dick prickled all over with need. It pulsed as the blood rushed through it and the cum churned in my nuts. Emitting a wild cry I could hardly believe came from me, I plunged full-depth into Elena and held the position as my seething nuts churned out a double load of

Slowly I drew her whole breast into my mouth till my tongue and the roof of my mouth were warm with the heat that emanated from her ripe breast.

cum and dumped it deep in her cavern.

But then a funny thing happened. Elena, still in heat, never stopped her relentless fuck-motions, humping up and down beneath me. Somehow, she kept my dick from flagging, so that even after spurting such a huge load, I remained nearly as hard as before. As soon as I had regained my breath and my senses, I began fucking up and down, in and out, plunging into her, amazed at myself. Never before had I been able to stay hard once I had come. One orgasm a day had always been the most I could manage.

Elena gripped my ass-cheeks with her nails and dug in hard as she manipulated

me up and down in a hard-driving rhythm. I fucked her fast and deep, and now that I had gotten off once, I wasn't afraid of shooting off too quickly.

To make her experience more intense, I reached down and fingered her slippery nubbin. Her prominent clit seemed to nuzzle my finger, and I rubbed it with speedy motions that I hoped would induce an orgasm in her. In fact, they brought on a whole string of them.

All of a sudden, Elena stiffened, arched, twisted, gasped, and flailed out with all four limbs. Then she shrieked, and her whole body shook in the throes of a powerful orgasm. I kept pounding away at her and continued fingering her, too. Just when she seemed to be calming down, though, she began to fuck hard and fast again. Another orgasm raked her body, and she popped off a second climax that was almost as strong as the first. A third followed in rapid succession.

I slowed down—I was getting tired and winded—but Elena begged me, “No. Don’t stop!” so I doggedly kept fucking the greedy she-cat. She reminded me that this cat had claws when she dug them into my back and used them to urge me on, obviously not satisfied despite her three strong orgasms.

In an inspired moment, I pulled out of her cunny altogether, pushed her legs up toward her shoulders, and exposed her winking browneye. Then, since my dick was well-lubed with her juices, I pushed it quickly into the tight confines of her humid backdoor. Elena gasped, not with pain, I was sure, but with surprise. But then she let out a disappointed wail and cried out, “No! I need you to fuck me! I’ve got to come again!”

“I am fucking you,” I pointed out. Then I put a finger on her clitty-button and began to stroke it insistently. “Ahhh!” she sighed, and began an insistent hunching rhythm that, although her motions were hampered by her position, was clearly carrying her closer to climax.

I was nearing another orgasm too. With the constricting walls of her anal channel clasp my meat tight, I couldn’t help but rise to ecstasy quickly—more quickly than seemed prudent, given my lovely señorita’s need. Fortunately, she was on the edge of orgasm herself. Gasping, straining, calling out words in Spanish that I didn’t recognize or understand, she finally orgasmed long and loud. Almost as soon as her climax started, mine hit me too. As I screeched loudly, my nutbag clenched on me and a boiling load of scum whooshed up my tube and out the piss-eye in my dick.

I could just imagine that white stuff splatting against the walls of Elena’s shit-chute. The image cranked up the heat in my nuts. I shot until my sac was drained and dry.

But finally the wild she-cat was satisfied. Now her feral growls turned into something that sounded very much like a purr...and definitely a sound of utter contentment.

We actually got a little business done after that—and the ad she wrote for my store really did bring in new customers. I told her she’d have to write new ads often...and that we’d have to have all our “business meetings” at my house.

She didn’t object.

Her prominent clit seemed to nuzzle my finger, and I rubbed it with speedy motions that I hoped would induce an orgasm in her. In fact, they brought on a whole string of them.
